Licensor furthermore does hereby irrevocably appoint MITC as its attorney-in-fact to take any such action as may from time to time be necessary to effect, transfer, or assign the rights granted to MITC herein, including without limitation copyright-related actions, and assigns to MITC the right to prosecute any and all claims from the past, present, and future use of the Images by unauthorised third parties.

### **Consideration**

In full and complete consideration to Licensor for all of the Licensed Rights granted to MITC hereunder, MITC shall consider the Images, diagrams and videos for inclusion in MITC compilations and other MITC original productions.

### **Licensor Representations and Warranties**

#### **(a) Owner of Rights**

Licensor has the sole, exclusive and unencumbered ownership of all rights of every kind and character throughout the universe in and to the Licensed Rights and has clear title to the material upon which the Images are based.

Licensor has the absolute right to grant to MITC, all rights, licenses and privileges granted to, or vested in MITC under these Terms.

Licensors have not authorized and will not authorize any other party to exercise any right or take any action that impairs the rights herein granted to MITC.

### **(b) Rights Are Clear**

Licensors have obtained all clearances and paid all monies necessary for MITC to exercise its exclusive rights hereunder and there will not be any other rights to be cleared or any payments required to be made by MITC as a result of any use of the Images, diagrams and videos pursuant to the rights and licenses herein granted (including without limitation, payments in connection with contingent participations, residuals, clearance rights, moral rights, union fees, and music rights).

Licensors have not previously entered into any other agreement in connection with the Images. All of the individuals and entities connected with the production of the Images, and all of the individuals and entities whose names, voices, photographs, likenesses, appearance, works, services and other materials appear or have been used in the Images, have authorized and approved Licensors' use thereof, and MITC shall have the right to use all names, voices, photographs, likenesses, appearance and performances contained in the Images in connection with the exploitation, promotion, and use of the Licensed Rights.

It is expressly understood that MITC has not assumed any obligations under any contracts entered into by Licensors.

### **(c) No Infringement**

No part of the Images, any materials contained therein, or the exercise by MITC of the Licensed Rights violates or will violate, or infringes or will infringe, any trademark, trade name, contract, agreement, copyright (whether common law or statutory), patent, literary, artistic, music, dramatic, personal, private, civil, property, privacy or publicity right or "moral rights", anticipated, or threatened claims or litigation that would adversely affect or impair any of the Licensed Rights.

### **Termination**

Licensors may seek to terminate its agreement to these Terms at any time; however, these Terms shall only be terminable upon the mutual agreement of the parties, the consent of which may be granted or denied in MITC's sole discretion. No termination shall impact any prior license of the Images by MITC prior to termination, which shall continue in full effect under these Terms.

### **Release and Indemnity**

Licensors hereby agree to indemnify, release and hold harmless MITC, its successors, licensees, sub distributors and assigns, and the directors, officers, employees, representatives and agents of each of the foregoing, from any and all

Licensor acknowledges that MITC is relying on the representations made by Licensor in accordance with these Terms and a breach by Licensor would cause MITC irrevocable injury and damage that cannot be adequately compensated by damages in an action at law and Licensor therefore expressly agrees that, without limiting MITC's remedies, MITC shall be entitled to injunctive and other equitable relief.

### **Publicity/Confidentiality**

Licensor shall not release, disseminate, issue, authorise or cause the release, dissemination or issuance of any publicity or information concerning the Licensed Rights, MITC, or these Terms without MITC's prior specific written consent (including, without limitation, posting, participating or engaging in social media discussions, news stories, blogs, reports or responses thereto), and Licensor shall direct all licensing or other inquiries relating to the Images solely to MITC.

Licensor acknowledges that these Terms are confidential in nature and agrees not to disclose the content or substance thereof to any third parties' other than: (i) Licensor's respective attorneys and accountants, and/or (ii) as may be reasonably required in order to comply with any obligations imposed by these Terms, or any statute, ordinance, rule, regulation, other law, or court order.

### **Miscellaneous**

Licensor acknowledges and warrants that its agreement to these Terms has not been induced by any representation or assurance not contained herein. These Terms supersede and replace all prior agreements, negotiations or understandings in connection with the Licensed Rights, including without limitation any simplified explanation of the terms herein, and in the event there are any inconsistencies between this English-language contract and any translations of terms and conditions, the English-language version shall prevail.

These Terms contain the entire understanding of the parties and shall not be modified or amended except by a written document executed by both parties. If any provision of these Terms is found to be unlawful or unenforceable, such provision shall be limited only to the extent necessary, with all other provisions of these Terms remaining in effect.

The waiver by either party or consent to a breach of any provision of these Terms by the other party shall not operate or be construed as a waiver of, consent to, or excuse of any other or subsequent breach by the other party.

MITC shall have the right to assign freely the Images, the Licensed Rights and/or any of MITC's other rights hereunder to any person or entity (by operation of law or otherwise). Licensor may not assign its rights hereunder.

### **Choice of Law/Dispute Resolution**

These terms and conditions shall be governed by and construed in accordance with English law. Any disputes relating to these terms and conditions shall be subject to the non-exclusive jurisdiction of the courts of England.
